What It Means to Preach the Word in Missions 我们在宣教工场究竟是传什么道

Speaker 讲员:
Mr Peter Yoon 尹泰景弟兄

What does it truly mean to preach God's Word in a cross-cultural missions context? Drawing from years of serving among a remote tribal people group in Papua, Mr Peter Yoon will share the joys and challenges of learning a new language and culture, planting a church, translating the Bible, and discipling new believers through Scripture. This workshop offers a unique glimpse into the vital role of God's Word in missions and how faithful Bible teaching transforms lives and communities.
